

TRUSSARDI

CASA

TRUSSARDI
CASA

La collezione Trussardi Casa propone un continuum stilistico ispirato al dinamismo metropolitano di Milano, giovane e spontaneo. Tradizione e contemporaneità, understatement, stile italiano e tensione verso un futuro prossimo fondato su legami, emozioni e condivisione.

Il progetto di interior è ispirato alla tradizione del Design italiano. Linee pulite, geometriche ed essenziali abbracciano un ampio spettro di gusti e stili: dal sofisticato al minimalista fino al design. L'originalità delle forme le rende versatili protagoniste dello spazio. Soluzioni per il giorno e la notte che raccontano atmosfere rilassate e quel senso di familiarità indissolubilmente legato alla Maison milanese.

Trait d'union della collezione è da sempre il comfort degli imbottiti. Sedute e schienali sono accoglienti e morbidi grazie a densità differenziate e all'utilizzo della piuma, che offre al prodotto un aspetto più informale e vissuto. La proposta tessile spazia dalle fibre naturali fino a quelle più tecniche arricchite da una serie di pattern e decori ispirati al mondo della moda. I morbidi pellami sono declinati in vari spessori e grane, finissaggi e morbidezze, mentre le finiture metalliche smalto sabbaiato color bronzo, canna di fucile, ottone lucido e Dark Matt Bronze, eleganti e raffinate, impreziosiscono i contrasti dando vita ad alternanze bi e talvolta tri-materiche con i marmi Carrara, Emperador Dark e Breccia Sarda.

Una collezione che celebra l'unicità del connubio tra design e fashion immaginando una casa ispirata ai codici del Levriero, dal mood disinvolto e spontaneo. I segni identitari del brand milanese restano protagonisti discreti degli ambienti: dal profilo ovale del logo Trussardi alla trapuntatura Vertical, dall'inserito in pelle chain stitch alle nuove pelli stampate che permettono di rivestire braccioli, strutture e dettagli.

La collezione Trussardi Casa apre così ad infinite possibilità di personalizzazioni creative.

The Trussardi Casa collection proposes a stylistic continuum inspired by the youthful, spontaneous metropolitan dynamism of Milan. Tradition and contemporaneity, understatement, Italian style and a natural inclination to reach towards a near future built on bonds, emotions and sharing.

The interior design draws inspiration from Italian tradition. Clean, essential, geometrical lines that embrace a broad spectrum of tastes and styles: from sophisticated to minimalist right through to designer. The originality of the shapes makes them the versatile stars of their space. Solutions for the day and night zones that speak of relaxing atmospheres and that sense of familiarity that is inextricably linked to the Milanese fashion house.

The thread running through the collection has always been its comfortable upholstery. Seats and backrests are soft and cosy, thanks to variable density foams and the use of feathers, which give the product a more informal, lived-in look. The proposed textile selection ranges from natural fibres to more technical fabrics enhanced with a series of patterns and decorations that draw inspiration from the fashion world. The soft leathers are available in various thicknesses and grains, finishing and degrees of softness, while the elegant, refined metallic finishes Silk varnish bronze colour, gun-metal grey, polished brass and Dark Matt Bronze enhance contrasts, creating alternations between two or even three materials with Carrara, Emperador Dark and Breccia Sarda marble.

A collection that celebrates the uniqueness of the alliance between design and fashion, imagining a home inspired by the codes of the Greyhound, with a casual, spontaneous mood. The identifying traits of the Milanese brand remain the discreet heroes of their spaces: from the oval profile of the Trussardi logo to the Vertical quilting, from the chain stitch leather insert to the new printed leathers covering armrests, frames and details.

The Trussardi Casa Collection is open to infinite possibilities for creative customisations.

NOTE

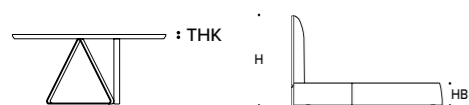

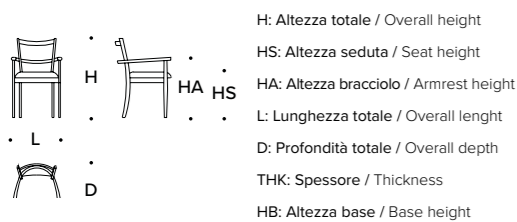

Le immagini e i colori dei prodotti nel catalogo sono puramente indicativi. I prodotti presentati in foto, a seconda del modello, possono essere rivestiti in tessuto e/o pelle della collezione TRUSSARDI CASA, consultando listino prezzi e campionario in vigore nel periodo di stampa del catalogo. I disegni riportano la versione standard del prodotto.

Tutte le dimensioni indicate nei disegni tecnici sono in cm (inch.), approssimative e soggette a possibile cambiamento (tolleranza del +/- 2%).

A causa di naturali variazioni delle tinte coloranti durante il processo di bagno e asciugatura delle pelli, potrebbero verificarsi lievi differenze di tonalità del prodotto finito. Devono pertanto ritenersi accettabili le eventuali differenze di colore che si potrebbero riscontrare tra pannelli diversi giuntati per la realizzazione dello stesso prodotto. A causa di aggiornamenti tecnico-produttivi, l'azienda si riserva il diritto di modificare le informazioni sui prodotti riportati nel catalogo in qualsiasi momento e senza preavviso.

The images and the colours of the products in this catalogue are purely for information. The products shown in the pictures do not have only one standard cover. Depending on the model, products can be covered both in fabric and/or leather as from the official TRUSSARDI CASA Collection, set of samples and price-list in force during the printing of the catalogue. Drawings show the standard version of the product.

All the dimensions included in technical descriptions are in cm (inch.), approximate and subject to possible changes (tolerance of +/- 2%). Due to natural variations of the colorant dyes during the bathing and drying process of the leathers, some slight differences in shade may occur on the final product. Any eventual difference in colour that can be noticed between different panels that are joined together to create the same product, must be considered acceptable. As a result of technical/production updates, the company reserves the right to change the product information shown on this catalogue anytime and without advance notice.
