PORTA ROMANA

Autumn 22

This installation extends the versatility of our furniture pieces with new designs in an infinitely customisable collection.

> Bringing the same craftsmanship, attention to detail, textures and finishes to furniture, that has been the hallmark of Porta Romana lighting.

Additionally, there are original table lamps, wall lights and ceiling lights in black and white, an autumnal colour palette for others, some reinventions of existing designs and *extraordinary* new finishes.

Ottie Table Lamp

The Ottie table lamp is hand blown in the Surrey Hills. The lamps spotted surface is both playful and decorative, whilst the encapsulation lends a sense of weight and sophistication.

OTTIE TABLE LAMP
