Furniture, The Custom Edit

Giacometti Sofa Side Table with Tier Lamp

At Porta Romana, every piece is an original. This furniture has been designed to be ultimately customisable.

"Craftspeople are at the heart of Porta Romana, and we're fortunate enough to work with exceptional makers from across the British Isles."

Ali Milam, Managing Director

That means every little detail can be tailored to work with your interior - from changing table tops and base finishes, to creating something totally bespoke.

Three forged styles
infinitely customisable

Giacometti

The Giacometti is constructed in a geometric, hand-worked frame and finished with a hammered detail.

Logan

The Logan showcases a round profile and ia subtly textured to give it a hand-sculpted quality.

Stanley

Inspired by the furniture of Diego Giacometti, the Stanley is complete with decorative finials and hammered cone-shaped feet.
